

WEDNESDAYS @ BETHANY

AUGUST 24, 2022

BETHANY PRESBYTERIAN CHURCH

Welcome to our weekly newsletter! ***Wednesdays at Bethany*** will include important announcements for the life of the congregation. If you would rather not receive this newsletter, please let us know and you will be removed from the list.

Pastor Nominating Committee: The Bethany Presbyterian Church congregation held two workshops this spring to answer several of the questions required to complete a Mission Study, a major step in the process of calling a permanent pastor. Session and the Board of Trustees met to discuss the financial questions, and next it will be time to assemble the Pastor Nominating Committee. This committee must be comprised of members of the church, and Session is seeking 3-4 people who would be willing to serve. If you are interested in being a part of this process, please contact Roxane Wales, Tamra Hollenbeck, or the church office. If you have any questions about what the process involves, please ask any member of session or financial trustees: Ken Henry, Tamra Hollenbeck, Kathryn Quickert, Pam Matthews, Bonnie Morgan, Lyn Hughes, or Dave Wales.

Fellowship Time: We would like to provide brewed coffee, hot water, and a couple of snacks each Sunday after worship. Congregants can sign up to bring an item to share, i.e. fruit, coffee cake, donuts, bagels - you get the idea! Items will be available in the narthex, and congregants will be encouraged to take their snacks out to the patio to eat and visit. The list is available at the church, or you can contact the church office to sign up for a particular Sunday.

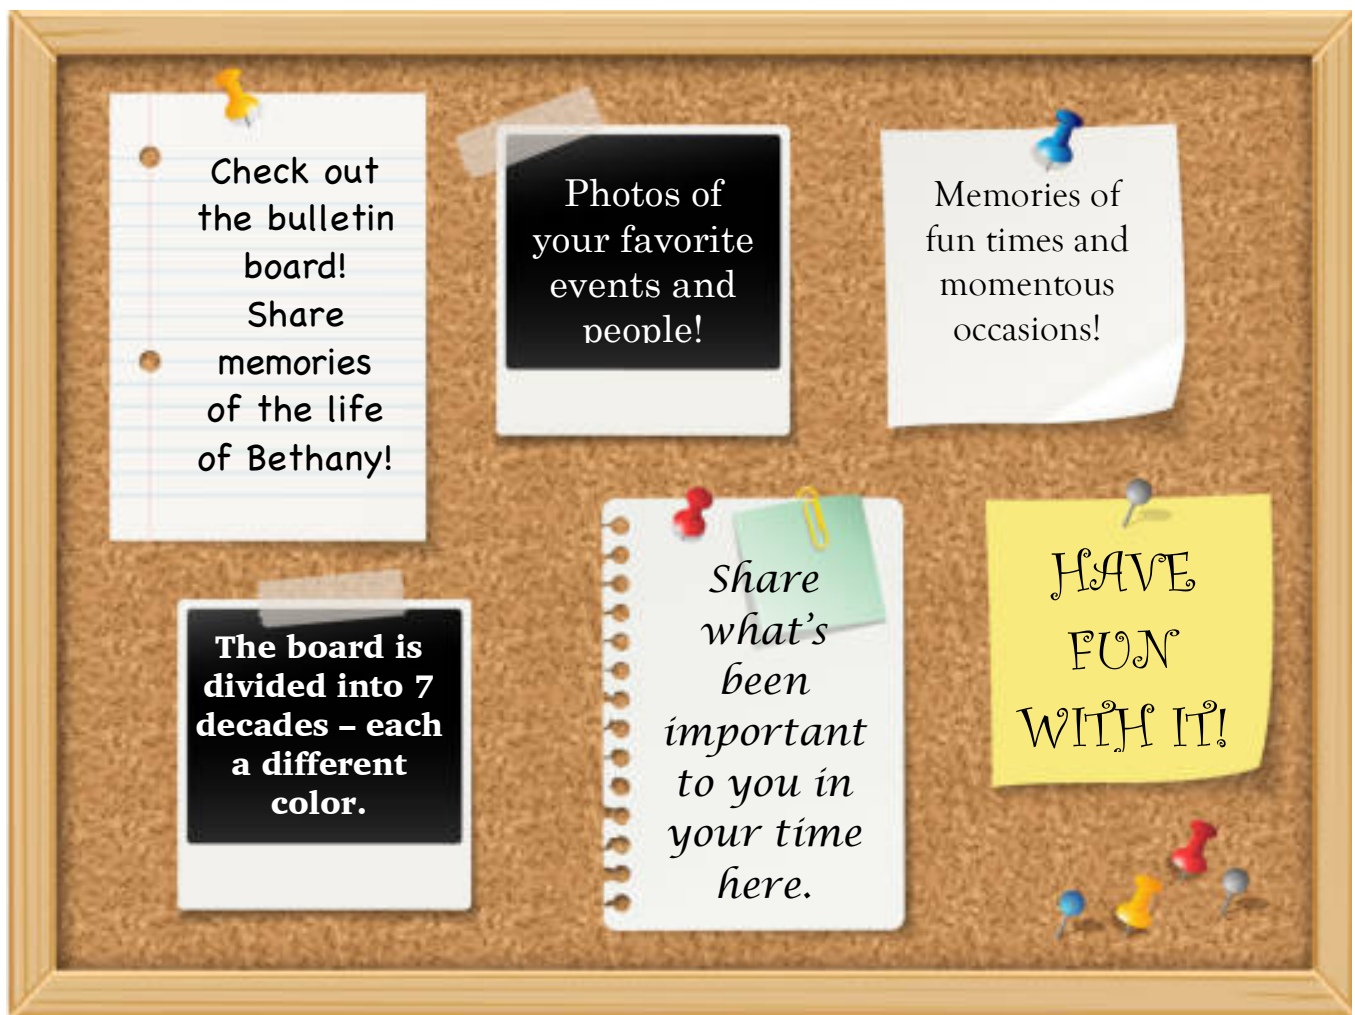

Space available in Sept and Oct!

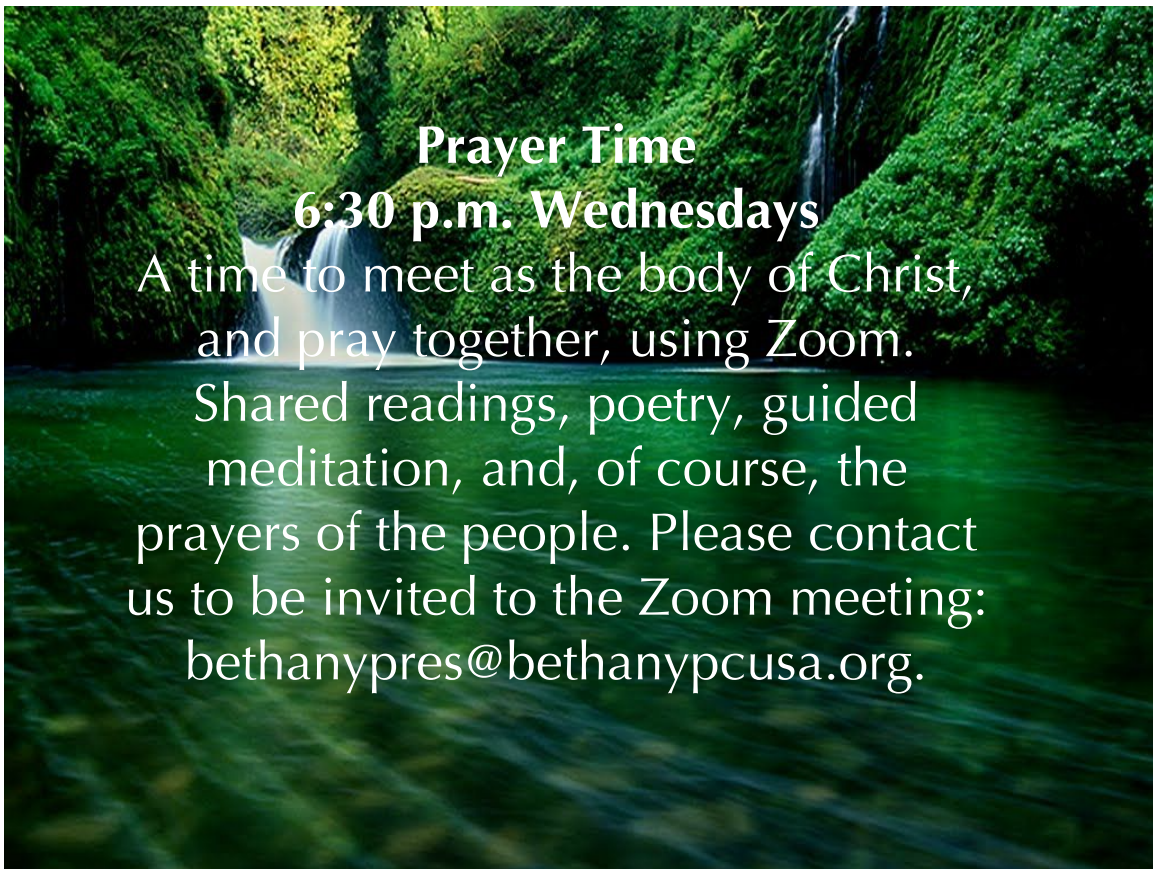

Thanks in advance for your participation in this new way of fellowshiping with each other! If you have any questions or concerns, please share with Rev. Deb, Pam Matthews, or Tamra Hollenbeck.

Memorial Dedication at Tanforan: The public is invited to the ribbon-cutting ceremony of the Tanforan Memorial on **Saturday, August 27, 2022, at 1:00 p.m.**, which will take place outside the San Bruno BART station at 1151 Huntington Ave.

Tanforan is the site of the former racetrack that was converted into a detention center for Japanese Americans from April through October of 1942. More information is available on the website: <https://www.tanforanmemorial.org/exhibits>

Also of interest is the **Sansei Granddaughters' Journey**, a show honoring the history of the incarceration of Japanese Americans during World War II, will be on display **through Saturday, Sept. 3**, at the AZ Gallery at the Shops at Tanforan in San Bruno. In 1942, the Tanforan racetrack became the temporary detention center for nearly 8,000 Japanese Americans until their transfer to Topaz, a WRA camp in Utah. Shari Arai DeBoer, one of five third generation (sansei) Japanese American artists, shows two of her paintings honoring the resilience of those who were interned for the duration of the war. For more information go to www.sanseigranddaughters.com.

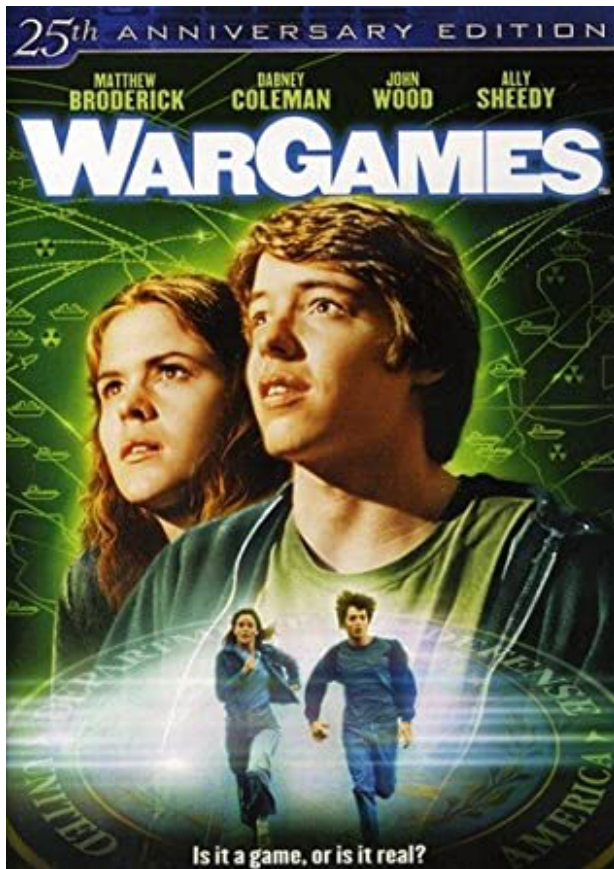

Prayer Time

6:30 p.m. Wednesdays

A time to meet as the body of Christ, and pray together, using Zoom. Shared readings, poetry, guided meditation, and, of course, the prayers of the people. Please contact us to be invited to the Zoom meeting: bethanypres@bethanypcusa.org.

Liturgists Needed: Have you thought about participating in leading worship? Have you thought “I could stand up there and read scripture!” Then maybe you could be the liturgist! The liturgists are provided with a full script, so you don’t have to worry about what to say. For more information, and if you’re interested, please contact Pam Matthews, chair of Worship Committee – fpmatthews@aol.com or the church office.

Movie Night: “War Games” (1983, PG):
Friday, September 16, 7 p.m. BYO movie snacks and drinks! Scott Brown of Wired magazine calls it “a fizzy little thriller about looming Armageddon. It's a deceptively simple story: High schooler David Lightman (played by 21-year-old Matthew Broderick) is a digitally proficient goofball who wants to play an unreleased computer game — and impress a pretty girl (Ally Sheedy). So he does something most Americans didn't have a word for back then: He starts hacking. Little does he know, the "computer company" he's infiltrated is actually a military installation running a missile-command supercomputer called the WOPR (War Operation Plan Response), and the game — Global Thermonuclear War — is real. Naturally, only David can stop it from setting off World War III.” In the end, this is really an ANTI-war movie! (FYI we do use the closed captions, so if you're hearing impaired, you can still enjoy the movie!)

Donations for San Bruno Hospitality House: Please continue to bring your donations for Hospitality House and put them in the marked basket in the Narthex. Any questions about this please contact Rina Ranahan: (650) 291-6979. Urgent needs right now are toilet paper, canned soup, jelly, syrup, and cereal.

Bethany Story Time

We have a collection of children’s books on our Facebook page! Over the past year (and a bit more!), Pastor Deb and various members of the congregation have recorded readings of children’s books, and then Pastor Deb added video of the illustrations. The videos are available any time for you to enjoy! Share them with your family, friends, and neighbors! Find them here:
