### Invitation to Inter-faith Dialogue

May 7th, 2023, 2-4 pm, in the Glide Sanctuary, in collaboration with Civic Health Project, we are screening "The Abortion Talks," a documentary film featuring the story of six women on opposing sides of the abortion debate in Boston who met together in secret dialogues for six years after the 1994 Brookline clinic murders. There will also be a short panel discussion. [Learn more and get tickets here.](#) Tickets are required, but it is free to attend.

The film is an example of what it means to "come to the table," and to have tools that allow for people to be seen and heard, not judged or battled, and not forced to change beliefs or minds. It asks, "Can we just talk?" It is also the work of one of our Congregational Life Groups, Different Together, that hosts conversations across all kinds of differences.

Prayer Group will meet tonight at 6:30 pm. Please contact Deb or Cathleen for the Zoom link.
